PROFESSIONAL PROFILE

Detail-oriented HR and Administrative Support professional with hands-on experience in recruitment coordination, project logistics, executive support, and operational efficiency within fast-paced organizations. Skilled at managing scheduling, documentation, and cross-functional collaboration using modern productivity platforms including Google Workspace, Asana, Trello, and Microsoft Office. Combines a background in engineering project management with strong organizational and communication skills, and is committed to supporting organizational growth through structured, efficient processes. Adaptable to both local and international work environments.

CORE COMPETENCIES

- Administrative & Executive Support
- Recruitment Coordination & Interview Scheduling
- Team Collaboration & Cross-Functional Communication
- Scheduling & Calendar Management
- Project Coordination & Logistics
- Operational Efficiency & Documentation Management

PROFESSIONAL EXPERIENCE

HR / Administrative Support | Razley Prints — Abuja, Nigeria Jan 2026 – Present

- Support HR and administrative operations across multiple internal departments.
- Prepare and maintain employee documentation, contracts, and HR records in accordance with company policy.
- Coordinate staff communication and internal workflow processes to ensure operational continuity.
- Manage organized employee filing and documentation systems for accurate record-keeping.
- Support onboarding activities and documentation for interns and NYSC corps members.
- Assist management with workflow coordination, scheduling, and administrative task delivery.
- Collaborate with internal teams to maintain smooth, efficient day-to-day operations.

Program Coordinator – Priority Groups | Razley Prints — Abuja, Nigeria Sep 2025 – Jan 2026

- Managed administrative and logistical support for key organizational initiatives, ensuring consistent operational efficiency.
- Coordinated end-to-end recruitment pipelines and scheduled candidate interviews.
- Utilized Google Workspace and Asana to manage tasks, track deadlines, and allocate resources across teams.
- Prepared administrative and operational reports for executive-level meetings.
- Collaborated with cross-functional teams to ensure timely and successful project delivery.

Project Manager / Electrical Engineer (Intern) | EmOne Energy Solutions — Nigeria May 2024 – Oct 2024

- Supported coordination of electrical infrastructure projects from planning through execution.
- Contributed to project documentation, scheduling, and on-site supervision.
- Assisted project teams in delivering key project phases on schedule.
- Provided technical and operational support to the engineering team on active energy projects.

Independent Electrical Engineer | Self-Employed — Nigeria Sep 2016 – May 2020

- Delivered independent electrical installation, maintenance, and technical support services for residential and commercial projects.
